RE. RFP DGS-2053, **ADDENDUM #26**

TO ALL INTERESTED BIDDERS:

This addendum makes changes or corrections to the Appendices B-1, B-2, B-3, and B-4, Model Contract Language.

Each of these documents is being replaced in its entirety. All comments submitted were considered and any changes applied to the current versions of Appendices B-1, B-2, B-3, and B-4, Model Contract Language, to maintain the continuity and currency of these documents.

Red-lined versions of each are also posted for your convenience and information only.

Please replace your versions of Appendices B-1, B-2, B-3, and B-4, with the newly posted official versions.

This Addendum represents many hours of effort by the CALNET II team, including seasoned contract managers and both inside and outside legal counsel. This effort also represents the second time that the State afforded bidders the opportunity to submit comments for the Contract Language. This addendum represents the final extensive revision of the Contract Language anticipated by the State.

The RFP allows bidders the opportunity to protest requirements made by an addendum (see Section 2.5.1, Initial Protest). Any Initial Protest made for this addendum must be submitted by 5:00pm Pacific Time, March 29, 2006.

Please send any questions to me via e-mail.

Sincerely,
